

10 Reasons to Attend Parent University

1. Parent University is packed with great information for public school parents. You will learn important tools to guide your student through HCPS.
2. Parent University opens with a general session for all attendees led by Jeff Eakins, Superintendent HCPS.
3. During the event, parents can browse the Resource Cafe with information tables staffed by HCPS Administrators/Supervisors and specialized staff. Community partners are also on hand to present the awesome programs available in our community.
4. Two break-out sessions are offered for parents to attend the topic of their choosing. Sessions are available for all school levels - Elementary/Middle/High.
5. Session topics were developed through input from local area parents.
6. Session topics include something for every parent and cover all ages. The topics range from the “Power of Play” to “Helping Your Child Become a Reading Rockstar” to “How to choose a Middle School” to “Understanding Your Graduation Requirements”.
7. Some classes are offered completely in Spanish and a translator will be available to help with questions.
8. Childcare is provided for K-5 students with advance registration.
9. Parent University is a service provided to families by Hillsborough Public Schools in partnership with the Alliance for Public Schools
10. You don't want to miss this opportunity to know everything you need to know about attending Hillsborough County Public Schools!
