

## CONNECT WITH **YOUR KIDS** AND THEIR SCHOOL.

All parents want their children to be successful and research indicates that their involvement makes a difference. Staying "in touch" with your child's school day will communicate that you care and keeps you informed about day to day events. Here are some good questions that will help to get your children talking. We guarantee you'll learn something new every day!

What was the best thing that happened at school today?

What was your biggest challenge at school today?

Name three things you learned today at school.

Who did you sit with at lunch today? Why?

Did any of your classmates do anything funny today?

Tell me about what you read in class today.

Who did you hang out with today? What did you do?

Which subject was the hardest today?

Show me something you learned (or did) today at school.

What was the nicest thing you did for someone today?

If you could have one class be longer or shorter, what would it be?

What three things can you do when you are having difficulty learning something?

# QUESTIONS TO ASK YOUR KIDS AFTER SCHOOL?

How would your teacher(s) say your day went?

Did you meet anyone new today?  
If so, who?

Are you happy with your grades?  
Why or why not?

What makes a day at school a good day?

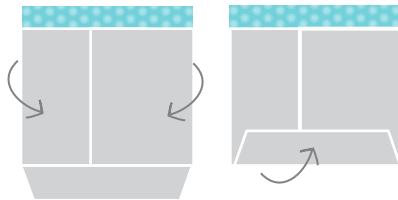

What did you learn that you could use right away?

What could you teach me that you learned today?

## TO MAKE THE CARD WALLET

Cut around the outline shape and score the dashed lines. Fold the three flaps backwards. Put the printed side face down and put all your cards together in the middle, wrap around the cards with the side flaps first and glue or tape them together at the back. Don't make it too tight so you can easily take the cards in and out. Wrap around the bottom flap and glue it to the back. Done!
