ELEMENTARY ATHLETICS

ATHLETICS PLAYS AN IMPORTANT PART IN THE LIFE OF STUDENT ATHLETES.

Young people learn a great deal from participation in interscholastic athletics. Lessons in sportsmanship, teamwork, competition and how to win and lose gracefully are integral parts of our athletic programs.

Athletic participation also plays an important part in helping students develop a healthy self-concept as well as a healthy body. Athletic competition also improves school spirit and helps students develop pride in their school.
