

COMMUNITY ENGAGEMENT

Osceola School District's SMART Bus

The SMART Bus provides community outreach through extended educational services to the students in economically-disadvantage communities in Osceola County. These services include homework assistance, in addition to healthy habits activities to promote a wholesome lifestyle to students experiencing homelessness.

The SMART Bus visits different locations throughout Osceola County, including hotels and other housing accommodations. A big part of the service provided by the SMART Bus is to promote and establish long-lasting relationships with high-needs communities. Stakeholders in return build capacity with parents and students.

READ BUS LOCATIONS:

Tuesdays

4:00pm - 6:00pm

Marydia Community Center

Thursdays

4:00pm - 6:00pm

Chamber's Park Community Center

Osceola School District's READ Bus

The READ Bus promotes community engagement in partnership with Kissimmee Parks and Recreation. The bus visits several communities through their after-school programs to engage students in healthy habits activities to promote a wholesome lifestyle to students. Participants receive healthy snack packs and participate in interactive lesson addressing healthy lifestyles like My Plate, dental hygiene, healthy choices, among other topics.
