

TITLE I AND EARLY LEARNING

Title I Family Engagement

The Title I Family Engagement Department offers several free, year-round programs to the community of Osceola County. The focus is to help increase family educational success and parent leadership in the home and community. Using hands-on interactive activities, parents are provided the tools needed to introduce their children to early literacy and establish a love for learning. Free programs include Footsteps2Brilliance, Mommy and Me activities (ages 3-4), and Learn2Read (ages 0-2).

Family engagement classes and activities are available on our new READ Bus at the following library locations: Poinciana, Buenaventura Lakes, West Osceola in Celebration, Veterans Memorial in St Cloud, and Hart Memorial.
