Hands-on

As an oTECH student, you will receive hands-on training using the tools and techniques that professionals use in the industry.

Affordable

You will leave oTECH with a certification proving your skills in your career industry, not loans. As a public post-secondary institution, our tuition is the most cost-effective at \$2.92 per hour for Florida residents.

Career in a Year

Most of our programs can be completed within within a year. Think about it - you can be working in the field in a year or less!

Articulation

Want to continue your education? You can! Our program hours may be transferred to Valencia College which will shorten the time it takes for an advanced degree.

Job Placement

Our Career Services team helps you find high wage/high skill employment in your chosen field after graduation. Many programs offer externship opportunities.

Who We Are

We are the leaders in propelling Osceola County towards a brighter tomorrow through preparing students for careers that will shape our future, locally and beyond.

What We Do

Students seeking a career are offered programs in:

- Architecture & Construction
- Arts, A/V Technology, and Communication
- Business Management & Administration
- Health Science
- Hospitality & Tourism
- Human Services
- Information Technology
- Manufacturing
- Law, Public Safety & Security
- Transportation, Distribution, and Logistics.

Our instructors integrate their numerous years of experience as professionals in the field with innovative teaching practices to encourage outside-the-box thinking and stimulate learning. Our goal is to equip our students with the best training in Central Florida.
